## **Questions and Answers**

**February 8, 2010**

**Question:** What labor rates apply to this IFB?

**Answer:** As stipulated in Appendix L, Laborer and Related Classifications, the exact rates will vary depending on the type of work, where, and when work is performed. For example, if an employee is performing general construction labor during regular work hours on a Monday, in Napa County the prevailing wage that will apply is \$40.95.
